

## **Online Donation Page**

CDA donors have the ability to make their CDA pledge and/or payment online. In addition, information on how to give through the use of securities (stock gifts) and matching gifts can be found online. All donations received online will be credited to the parish of the donor's choosing. Parishes are welcome to create a link on their website to the "Make a Donation" page. This will allow parishioners to easily make their CDA pledge online.

If a donor wishes to give online, they can navigate to the "Make a Donation" page. From there, the website will walk the donor through the information required to make their pledge/payment. NOTE: The page will ask the donor for their Diocesan ID number. This is NOT a required field. If a donor does not have their ID available, it will be emailed to them shortly after they complete their online pledge or payment.

All online donations credited to the parish will be reported on the weekly parish report received from the Office of Stewardship. It is important to log gifts on the parish's CDA records (i.e. labels) so the donors are not contacted during any follow-up activities.

---

## **Parish Resources**

All of the resources available to support the parish's appeal activities can be found on the Parish Resources page. This includes bulletin articles, pulpit announcements, intercessions and other general information. Many of the resources are available in Word so they can be easily edited for the parish's use.

In addition, all report forms and the evaluation can be found on this page. The reports can be easily opened in the Adobe Reader, completed online and then printed or emailed. An additional copy can be printed for the parish files.

The CDA videos can be found on the Video page. Parishes are welcome to create a link on their website for parishioners to view the video from home. While this does not replace showing the videos at mass, it can provide an extra chance for parishioners to view the videos at their leisure.

For more information regarding parish resources available online, please contact Carrie at 602-354-2217 or [caranda@diocesephoenix.org](mailto:caranda@diocesephoenix.org).
