

# Employer Matching Gift Programs

---

## Matching Gifts Opportunity

This area increases each year and now is a great time to remind your parishioners to inquire about a matching gift at their companies because it can *double* or *triple* their donation to the CDA and can also be credited toward the parish goal! Companies do change their policies over time so parishioners should all be reminded to check with their employer. Some employers even match gifts by retirees or spouses of deceased employees.

If they are not sure whether their company provides matching funds, they should ask the company. A Matching Gift form can be obtained from the Human Resources Department or Benefits Coordinator. They should fill in the employee's portion and can submit the form either with their pledge card or at a later time.

Remind them that most companies set aside a certain amount of matching money each year. If the employee waits until December to fulfill their CDA pledge, the matching funds may no longer be available to double their donation.
